Charitable Giving 2017-18

This year has been a great success for our charitable fundraising and we have **raised a total of \$2440 for Angkor Hospital for Children and Kantha Bopha**. Thank you to everyone who donated, took part in or sponsored any of our events this year. Without this, we could not have raised the amazing total we have. The School Council will be delivering our donations before the end of the school year.

New School Site

Developments are moving swiftly forward at our new Primary School Site and we are excited to move in and begin the new school year there. Students will return to school on Monday 13th August at the new site. Our current site will become our High School. If you are not sure where the new Primary School is situated, please see the map below. Summer School 2018, will be held at our current location.

Parents' Meetings 11th-14th June

This week is our final assessment week. After this, we will be holding parents meetings during the week beginning 11th June. During the meeting, your child's teacher will let you know how they have achieved during the year, what they need to work on next and how you can help at home. You can sign up for a meeting with your child's class teacher at the office. It is very important that you see your child's teacher at this time.

This is a very busy week for teachers so please make sure you arrive promptly for your appointment to avoid having to wait or causing other parents to wait longer than necessary.

*We are one,
But we are many.*

International Week 7th—11th May

International Week was a great success! Thank you to all the parents who took the time to come into school and share stories and customs from your home countries. The students loved the week. Thanks to Ms Carrie and Mr David for organising it so well!

After School Clubs

After School Clubs will finish on **Friday 8th June**. A huge thank you to all the teachers who have planned and organised a club this year. The students have really enjoyed the variety of clubs we have had on offer and we will be working hard to offer a similar variety next year too!

Chess club tournament with some visiting students. Everyone played very well had had a great afternoon. Thanks Ms Annvinn!

Anti-Bullying Campaign

Bullying can happen in many different ways. It can include teasing, being hurtful to someone, ignoring them or hurting them. It can also happen anytime – in person, online, on the phone, in class, on the bus, in your neighborhood or even in your home.

The Sabafamilyfoundations.com is working internationally with the Obama foundation and UNICEF along with the Ministry of Education and Health in various countries to help schools educate their students and parents. They will be conducting workshops with schools in Cambodia. They would love to have parents get involved. Schools will send out notices as to when the workshops will be held.
